State as briefly as possible the facts of your case. Describe how each defendant was personally involved in the alleged wrongful action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

- A. If the events giving rise to your claim arose outside an institution, describe where and when they arose.

Events took place at time of arrest on December 14, 2016 between 9 AM and 12 noon during a vehicle stop in rural Jones County, Mississippi.

C. What date and approximate time did the events giving rise to your claim(s) occur?

D. What are the facts underlying your claim(s)? (For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)

Defendant Myers unnecessarily tazed (i.e. utilized a "tazer") multiple (i.e. atleast 8) times, even while I was on the ground and not resisting in any way. Once the tazer was dead, Myers stomped the back of my head repeatedly without cause or provocation. Jasper County Sheriff's Dept. Captain Robert Morris heard my screams and came to our location in time to witness me on the ground being tazed and stomped in the head.

V. Injuries

If you sustained injuries related to the events alleged above, describe your injuries and state what medical treatment, if any, you required and did or did not receive.

I was incoherent and unable to speak. Jones County Deputy Curtis and Capt. David Hare transported me to a clinic in Ellisville, MS and warned me to not speak although I could not do so anyway. I was given an injection. Although I've never had seizures or speech impediments prior to the incident, I now have seizures which require managment with medications and I cannot speak without a stutter. Medical testing and treatment remains on-going to date.

VI. Relief

State briefly what you want the court to do for you. Make no legal arguments. Do not cite any cases or statutes. If requesting money damages, include the amounts of any actual damages and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

Compensatory Damages : \$100,000.00 - Permanant injury/disability
